I hereby convey to the above named doctor and clinic to the full extent permissible under the law and under any applicable insurance policies and/or employee health care plan any claim, chose in action, or other right I may have to such insurance and/or employee health care benefits coverage under any applicable insurance policies and/or employee health care plan with respect to medical expenses incurred as a result of the medical services I received from the above named doctor and clinic and to the extent permissible under the law to claim such medical benefits, insurance reimbursement and any applicable remedies. Further, in response to any reasonable request for cooperation, I agree to cooperate with such doctor and clinic in any attempts by such doctor and clinic to pursue such claim, chose in action or right against my insurers and/or employee health care plan, including, if necessary, bring suit with such doctor and clinic against such insurers and/or employee health care plan in my name, but at such doctor and clinic's expenses.

The goal of our office is to enable patients to gain control of their health. To attain this we believe communication is the key. There are often topics that are hard to understand and we hope this document will clarify those issues for you.

Please read the below information and if you have any questions please feel free to ask one of our staff members.

Informed Consent:

A patient, in coming to the chiropractic physician, gives the doctor permission and authority to care for the patient in accordance with the chiropractic tests, diagnosis, and analysis. The chiropractic adjustment or other clinical procedures are usually beneficial and seldom cause any problems. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible to injury. The doctor, of course, will not give any treatment or care if he is aware that such care may be contra-indicated. Again, it is the responsibility of the patient to make it known, or to learn through healthcare procedures whatever he/she is suffering from: latent pathological defects, illnesses or deformities which would otherwise not come to the attention of the chiropractic physician. The chiropractic physician provides a specialized, non-duplicating health care service. Your doctor of chiropractic is licensed in a special practice and is available to work with other types of providers in your health care regimen. I understand that if I am accepted as a patient by a physician at SPINOS FAMILY CHIROPRACTIC I am authorizing them to proceed with any treatment that may be necessary. Furthermore, any risk involved, regarding chiropractic treatment, will be explained to me upon my request.
